

Guadalupe Valley Family Violence Shelter

September 25, 2017

Good Afternoon Geoff,

During the 2016 Christmas season, Texas Towers 4 Tots provided gifts to the Guadalupe Valley Family Violence Shelter. The gifts were distributed to 14 families (consisting of 33 children) some who resided at the shelter and others that were receiving nonresidential services. The families were very appreciative of the gifts and the shelter staff can't thank the Towers enough for making Christmas brighter for these families.

Respectfully,
